Guerrero Negro No. 2, NORDIKA,

Tijuana, Baja California,

Mexico, C.P. 22644

PACKAGED IN MEXICO

PRINZING

PRODUCT: Prinzing Eyewash Station Equipped

MANUFACTURED BY: BRADY MEXICO S DE RL DE CV

Guerrero Negro No. 2, NORDIKA,

Tijuana, Baja California, Mexico, C.P. 22644

CONTENT: One Eye Wash Station

DIRECTIONS FOR USE

Purposes: emergency eyewash and skin flush.

Use for flushing the eye to reduce chances of severe injury caused by acid, alkali, or particulate contamination.

Directions for use: - twist cap open - do not dilute solution or reuse bottle - hold container a few inches above the eye or skin - control flow of solution by pressure on bottle - flush affected area as needed a minimum of 20 minutes

Warnings: for external use only

Do not use: - for injection - intraocular surgery - if solution changes color or becomes cloudy

When using this product: - avoid contamination, do not touch tip of container to any surface - do not reuse - once opened, discard - obtain immediate medical treatment for all open wounds in or near the eyes

Ask doctor if you have: - eye pain - changes in vision - redness or irritation of the eye after use - an injury cause by alkali - condition worsens or persists

Keep out of reach of children - If swallowed, get medical help or contact a poision control center right away

Other information: - tamper evident: do not use if twist off top is broken or missing - not for use as a contact lens solution - use before expiration date marked on bottle - store at room temperature 15 degrees Celcius to 30 degrees Celcius (59 degrees - 86 degrees Fahrenheit)
