Benefits

Protective layer provides temporary relief for cracked, chapped skin.

24-hour hydration helps soothe dry, red, irritated skin.

Strengthens skin's moisture barrier to improve skin resilience.

Breathable, non-comedogenic formula won't clog pores.

Usage Tips

Use at least once daily.

Apply a thin layer all over face as last step in skincare routine, focusing on extra dry and sensitive areas.

Ideal for use after damage caused by environmental exposure and to counteract drying side effects of prescription-strength acne and retinoid treatments.
