

HYALURONIC ACID FREEZE-DRIED POWDER- hyaluronic acid emulsion

Shenzhen Fusian Technology Co Ltd

ACTIVE INGREDIENT

WATER 40%

GLYCERIN 20%

HYALURONIC ACID 20%

TREHALOSE 20%

PURPOSE

Moisturizing

INDICATIONS USAGE SECTION

Hyaluronic acid freeze-dried powder is a skin care product that mainly replenishes water and repairs, and is widely used to improve a variety of skin problems. The following are its main indications:

1. Dehydrated skin

Symptoms:

The skin is dry, rough, and tight, and even peeling occurs.

Functions:

Hyaluronic acid freeze-dried powder can deeply replenish water, enhance the skin's moisturizing ability, and relieve dryness symptoms.

2. Damaged skin barrier

Symptoms:

Skin is sensitive, red, swollen, and easily inflamed, and even tingling occurs, and the barrier function is weakened.

Functions:

Repair the skin barrier, promote the repair and regeneration of damaged skin, and improve the sensitive state.

3. Early fine lines and dry lines

Symptoms:

Dry lines and superficial fine lines at the corners of the eyes and mouth caused by water loss.

Functions:

Replenish skin moisture, improve fine lines caused by dryness, and make the skin look smoother and more elastic.

4. Dull and dull skin

Symptoms:

The skin is rough, lacks luster, and looks tired.

Functions:

Improve skin moisture, improve dullness, and restore skin translucency.

5. Skin with acne and acne marks

Symptoms:

Pigmentation and acne marks are left after acne heals, or the skin's ability to repair is weak.

Function:

Accelerates acne repair, helps fade acne marks, and promotes skin self-repair.

6. Sensitive skin

Symptoms:

Strong reaction to external stimuli (such as wind, temperature difference), prone to redness and fever.

Function:

Calms and soothes the skin, reduces irritation, and enhances skin tolerance.

7. Early aging skin

Symptoms:

Sagging and dry skin accompanied by loss of collagen, showing signs of aging.

Function:

Replenishes moisture and locks in moisture, while maintaining skin elasticity and delaying skin aging.

WARNINGS

Please keep out of reach of children, Do not swallow,

Please clean your hands before use to ensure the best

results from the product. Discontinue use if signs of irritation

or rash occur. Store in a cool and dry place.

STOP USE SECTION

Discontinue use if signs of irritation or rash occur

Do not use

on damaged or broken skin

Keep out of reach of children!

If swallowed, get medical help or contact a Poison Control Center right away

When using this product

How to use:

Face care:

Mix 1-2 drops of turmeric essential oil with a base oil (such as jojoba oil or sweet almond oil) and apply to the face.

Use every night to avoid photosensitivity caused by UV rays during the day.

Body care:

Add a few drops of turmeric essential oil to lotion or body oil and apply to the whole body to help even out skin tone.

Mask addition:

Mix 1 drop of turmeric essential oil into a natural mud mask or homemade mask, apply for 10-15 minutes and then wash off.

Topical use:

For spots or acne marks, dilute the essential oil and apply it to the target area with a cotton swab.

Bath method:

Add a few drops of turmeric essential oil to warm water to soothe and whiten the skin all over the body.

Directions

How to use:

Cleaning the skin:

Before use, thoroughly clean the skin with a mild cleansing product to ensure that the skin is clean and free of impurities.

Diluting the freeze-dried powder:

The freeze-dried powder is usually mixed with a matching solvent (such as hyaluronic acid stock solution or a specific dissolving solution).

Open the freeze-dried powder and the solvent and mix the two evenly according to the product instructions.

After mixing, you can gently shake the container to ensure complete dissolution.

Apply to the skin:

Apply an appropriate amount of dissolved hyaluronic acid freeze-dried powder liquid evenly on the face or the area that needs care.

Can be combined with gentle massage to promote absorption.

Subsequent skin care:

After using the freeze-dried powder liquid, you can continue to apply cream, lotion or sunscreen products to lock in moisture.

It is recommended to use it at night for better results.

Dosage recommendation:

Daily care: Use about 1-2 ml each time (adjust according to personal needs).

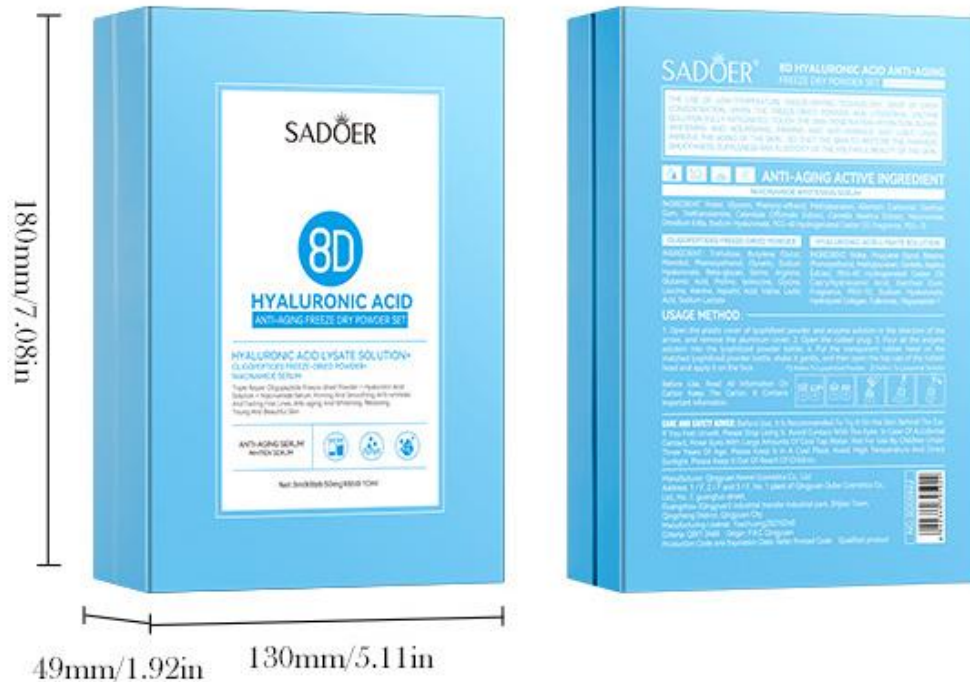

Key repair: The frequency of use can be increased appropriately, usually 1-2 times a day (once in the morning and once in the evening).

Course of use: It is generally recommended to use it continuously for about 4 weeks, and then adjust the frequency of use according to the skin condition.

INACTIVE INGREDIENT SECTION

Niacinamide

Hydrolyzed Collagen
