ArniPatch

Natural Care for Pain, Bruises & Swelling

Natural Care for Pain, Bruises & Swelling

Everyone at some time has experienced occasional aches and pain, caused by minor injuries, strains, sprains, or overexertion. You are not alone when aches and pains lead to missed golf games, shorter walks with your family and pets, or long days at work in front of a computer.

ArniPatch™ is a scent-free, easy-to-use topical patch made with Arnica montana, a bright yellow, daisy-like flower traditionally used in homeopathy to temporarily relieve minor aches, muscle soreness, and stiffness from everyday activities.

ArniPatch™ offers a natural, homeopathic approach that's gentle and suitable for adults and children 12 years and older, and can be used at home, work, or on the go.

Our patches are designed to be worn for up to 12 hours to provide temporary relief, so you can continue doing the things you love with more comfort and ease.

Drug Facts

Active ingredient Arnica Montana 1X HPUS 1%
Purpose Muscle strain, Bruising
*The letters "HPUS" indicate that the component in this product is officially monographed in the Homeopathic Pharmacopoeia of the United States.
