BAC-D
BACTERIAL DEFENSE

KILLS 99.99% OF GERMS

BAC-D Antibacterial Wound & Skin Care gently promotes wound healing without stinging. It sanitizes the skin and continues to reduce contamination for hours after applying. It won't dry, irritate or damage healthy tissue and is safe and effective for cuts, lacerations, abrasions, sores and skin infections of pets and livestock.

Drug Facts	
Active ingredient Benzalkonium Chloride 0.13%	Purpose First aid antiseptic
Uses: First aid to help prevent bacterial contamination in cuts, lacerations, abrasions, sores, skin infections and post-surgical incisions.	
Warnings: For external use only. When using this product avoid contact with eyes. In case of eye contact, flush eyes with water. Ask a veterinarian if condition persists. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.	
Directions: ■ Clean the affected area ■ spray on the area 3 times a day ■ may be covered with a sterile bandage ■ if bandaged, let dry first	
Inactive ingredients ionized water, carbamide	

Why Saline-Free and Alcohol-Free?

Saline and alcohol products can over dry skin and trap bacteria in dead skin cells.

BAC-D Technology:

- won't sting
- won't over dry
- won't trap bacteria
- won't stain
- protects longer
- is non-flammable
