

# **OXY SENSITIVE SKIN ACNE CREAM CLEANSER- benzoyl peroxide 5% cream** **The Mentholatum Company**

-----  
**Drug Facts - Oxy Sensitive Skin Acne Cream Cleanser**

## **Active ingredient**

Benzoyl peroxide 5%

## **Purpose**

Benzoyl peroxide - Acne treatment

## **Uses**

- for the treatment of acne
- clears acne pimples and allows skin to heal
- penetrates pores to control blackheads and whiteheads
- helps prevent new acne pimples from forming

## **Warnings**

### **For external use only**

### **Do not use if you**

- have very sensitive skin
- are sensitive to benzoyl peroxide

### **When using this product**

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

### **Stop use and ask a doctor if**

irritation becomes severe

### **If pregnant or breast-feeding,**

ask a health professional before use.

### **Keep out of reach of children**

If swallowed, get medical help or contact a Poison Control Center right away.

### **Directions**

- wet face
- apply to hands then massage gently into face. If desired, leave on for 1-2 minutes.
- rinse thoroughly and pat dry
- follow with a non-comedogenic moisturizer if needed
- because excessive drying of the skin may occur, start with 1 application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

### **Other information**

- THIS PRODUCT MAY BLEACH HAIR OR DYED FABRICS
- KEEP TIGHTLY CLOSED
- avoid storing at temperatures above 100°F (38°C)

### **Inactive ingredients**

water, cetostearyl alcohol, sodium C14-16 olefin sulfonate, disodium laureth sulfosuccinate, capryl/capramidopropyl betaine, xanthan gum, butylene glycol, chlorphenesin, citric acid, glycerin, hydrolyzed soy protein, PEG-8 dimethicone, phenoxyethanol, portulaca oleracea extract, propanediol, rhodomyrtus tomentosa fruit extract, sodium citrate, sodium hydroxide, sodium lauroyl sarcosinate
