The Dr. Talbot's Gum-eez teether's textured design provides comfort to baby's delicate gums. It provides stimulus to the lips and tongue which promotes the transition from nursing to chewing. Conforms to Toy Safety Standard ASTM F963.

**WARNING:** DO NOT microwave or steam sterilize. Always use this product with adult supervision. Not intended for use by children. Before each use, check teether. If damaged, discard and replace with a new teether.

**CLEANING:** Can be boiled. Wash before initial use and after each subsequent use. Dishwasher safe (top rack only), or hand wash with warm, soapy water. Rinse and dry thoroughly.

**IMPORTANT:** Remove any plastic attachments and packaging before giving to children. Please retain these instructions for future reference.
