- bleeding occurs
- condition worsens or does not improve within 7 days

**If pregnant or breast-feeding,**

ask a health professional before use.

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away. (1-800-

222-1222)

### ***Directions***

- **Adults:** when practical, cleanse the affected area by patting or blotting with an appropriate cleansing wipe. Gently dry by patting or blotting with a tissue or a soft cloth before insertion of this product.
- Detach one suppository from the strip; remove the foil wrapper before inserting into the rectum as follows:
  - **See full usage instructions with illustrations in the enclosed insert;** carefully separate foil tabs by inserting tip of fingernail at end marked “peel down”.
  - Slowly and evenly peel apart (do not tear) foil by pulling tabs down both sides, to expose the suppository. Remove the exposed suppository from the wrapper.
  - Insert one suppository into the rectum up to 4 times daily, especially at night, in the morning or after each bowel movement.
