

**PHARMASEB FLUSH- chlorhexidine gluconate, ketoconazole solution**  
**Animal Pharmaceuticals**

*Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click here.*

-----  
**Pharmaseb FLUSH**

***Drug Facts***

***Active Ingredients***

Chlorhexidine Gluconate, USP 0.2%

Ketoconazole, USP 0.2%

***Purpose***

Antibacterial

Antifungal

***Inactive Ingredients***

Water, Propylene Glycol, Nonoxynol-12, Glycerin, Aloe Barbadensis (Aloe Vera) Leaf Juice, Polysorbate 20, Fragrance, Lactic Acid, Benzyl Alcohol.

***Uses:***

a medicated cleansing solution with antimicrobial and antifungal activity for dogs, cats and horses.

***Directions for Use:***

Apply liberally to affected area. Use cotton or absorbent material to clean excess solution. Do not allow animal to lick the treated areas until dry to prevent ingestion. Apply twice daily or as directed by your veterinarian. Wash hands after using.

***Precautions***

Avoid contact with eyes or mucous membranes. If eye contact occurs, rinse thoroughly with water and consult a veterinarian. If undue skin irritation develops or increases, discontinue use and consult a veterinarian.

***Cautions***

If undue skin irritation develops or increases, discontinue use and consult a veterinarian.

**Keep out of reach of children.** In case of contact with eyes or mucous membranes, flush with copious amounts of water for 5-10 minutes. If irritation persists seek medical attention immediately.

## Antifungal and Antimicrobial Cleansing Solution

### Cucumber Melon

Formulated for Dogs, Cats & Horses

At Animal Pharmaceuticals we strive to provide the best nutritional and topical treatments for your pet by going above and beyond...and we don't stop there. We know that caring for your pet is just as important as caring for your own health, so we've developed and implemented systems that make things easier on you and convenient for your veterinarian.

### OUR ASSURANCE

Animal Pharmaceuticals products are designed with our proprietary technology that helps retrieve and sustain the nutrients and healthful ingredients. Our proprietary formulation enhances the effects of functional ingredients and penetrates the skin and the effective areas to exert the corrective results.

Additionally, and as always, you'll find that all our bottles and containers are made of recyclable plastic. Please help us protect the environment by recycling.

**ALL PRODUCTS ARE MADE IN THE U.S.A. AND 100% QUALITY GUARANTEED.**
