**1. Removes Dead Skin Cells**

Exfoliating peeling oil helps dissolve and peel away dead skin cells on the surface of the skin, promoting cell turnover and leaving the skin smoother and more radiant.

**2. Enhances Absorption**

After exfoliation, the skin's surface is free from obstructions, allowing it to better absorb active ingredients from subsequent skincare products such as serums and moisturizers, boosting their effectiveness.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.
