SPF 18 GLAMTOX ACTIVE DAILY MOISTURIZING SUNSCREEN LOTION

DRUG FACTS

Active Ingredients	Purpose
Homosalate	Sunscreen
Octinoxate	Sunscreen
Oxybenzone	Sunscreen

Uses: Helps prevent sunburn

Higher SPF gives more sunburn protection

WARNINGS

UV exposure from the sun increases the risk of skin cancer, premature skin aging and other skin damage. It is important to decrease UV exposure by limiting time in the sun, wearing protective clothing, and using a sunscreen.

When using this product keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor if rash or irritation develops and lasts.

For external use only.

Keep out of reach of children. In case of overdose, get medical help or contact Poison control right away.

Directions: Apply (select one: liberally, generously, smoothly, or evenly) before sun exposure and as needed.

Children under 6 months of age ask a doctor

Apply 1-2 pumps on face, under eyes and on the neck after cleansing. Use in the morning as your daily moisturizer. For best results use everyday for at least 6 months.
