Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Apply one mL. with dropper 2 times a day directly onto the scalp in the hair loss area.
- Using more or more often will not improve results.
- continued use is necessary to increase and keep your hair regrowth, or hair loss will begin again.

Other information

- See hair loss pictures on side of box.
- Before use, read all information on box and enclosed instructions.
- Keep the box, it contains important information.
- Hair regrowth has not been shown to last longer than 48 weeks in large clinical trials with continuous treatment with minoxidil topical solution 2% for women.
- In clinical studies of mostly white women aged 18-45 with mild to moderate hair loss, 19% showed moderate hair regrowth after 8 months of using 2% minoxidil topical solution, compared to 7% with a placebo. Additionally, 40% had minimal regrowth with minoxidil, while 33% saw minimal regrowth with the placebo.
- Store at 20° to 25°C (68° to 77°F). Keep cap tightly closed.

Inactive ingredients

alcohol, propylene glycol, purified water.
