CA22 Benzoyl Peroxide Cleansing Gel 2.5%

Drug Facts

Active Ingredient

Benzoyl Peroxide 2.5%

Purpose

Acne treatment

Uses

For the treatment of acne

Warnings

For external use only

Do not use if you

have very sensitive skin

are sensitive to benzoyl peroxide

When using this product

skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

avoid unnecessary sun exposure and use a sunscreen.

avoid contact with the eyes, lips, and mouth

avoid contact with hair and dyed fabrics, which may be bleached by this product.

skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and ask a doctor if

irritation becomes severe

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Dampen skin and massage a thin layer onto the entire affected area and rinse thoroughly one to two times daily.

Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two times daily if needed or as directed by a doctor.

If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Other Information

Store at 20°-25° (68°-77°F)
