THE SCIENCE OF MARINE SKINCARE

HYDRATING LOTION SPF 30

This scientifically advanced moisturizer helps skin resist damage from environmental stress.

- Broad-spectrum UVA/UVB sunscreens offer maximum protection from harmful rays
- UV-active marine microspheres release a concentration of antioxidant vitamins C and E when exposed to sunlight
- Marine botanicals deliver deep hydration for smooth, healthy-looking skin

Drug Facts (Sunscreen Products)

Active Ingredients	Purpose
Avobenzone 3.0%	Sunscreen
Homosalate 8.0%	Sunscreen
Octisalate 4.0%	Sunscreen
Oxybenzone 5.0%	Sunscreen

Uses

• Helps prevent sunburn • If used as directed with other sun protection measures (see directions) decreases the risk of skin cancers and early skin aging

Warnings

• For external use only • Do not use on damaged or broken skin • Stop use and ask a doctor if rash occurs

When using this product

• Keep out of eyes. Rinse with water to remove. **Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away

Directions

• For Sunscreen use • Apply liberally 15 minutes before sun exposure • Use water resistance sunscreen if swimming or sweating • Reapply at least every 2 hours • Children under 6 months: Ask a doctor

Sun Protection Measures

Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with broad spectrum SPF value of 15 or higher and other sun protection measures including:
 • Limit time in the sun especially from 10 am-2 pm
 • Wear long-sleeved shirts, pants, and sunglasses

Inactive Ingredients

Aqua/Water/Eau, Ascorbyl Tetraisopalmitate, Blue 1 (CI 42090), Butylene Glycol, C12-15 Alkyl Benzoate, C12-20 Alkyl Glucoside, C14-22 Alcohols, Caprylic/Capric Triglyceride, Carbomer, Cithrium Maritimum Extract, Cyclopentasiloxane, Dimethicone, DNA, Ext. Violet 2 (CI 60730), Glycerin, Glyceryl Stearate, Leucosotoc/Radish Root Ferment Filtrate, Linalool, Magnesium Ascorbyl Phosphate, Methylsilylhydroxide, Parfum/Fragrance, Phenoxethanol, Phospholipids, Silica, Tocopherol, Triethanolamine, Trisiloxane, Ulva Lactuca Extract, Undaria Pinnatifida Extract, Xanthan Gum (000-00270-001)

Other information

• Protect the product in this container from excessive heat and direct sun

LOTION HYDRATANT FPS 30

Cette crème hydratante, élaborée à l'aide de techniques scientifiques de pointe, aide la peau à lutter contre les agressions extérieures quotidiennes.

- Les écrans UVA/UVB à large spectre confèrent une protection maximale contre les méfaits des rayons solaires
- Dès l'exposition au soleil, les microsphères marines anti-UV libèrent des concentrés de vitamines C et E aux propriétés anti-oxydantes
- Les plantes marines procurent une hydratation en profondeur pour une peau douce et pleine de vitalité

Mode d'emploi: appliquer quotidiennement sur le visage et le cou propres avant l'exposition au soleil. Pour les enfants de moins de 6 ans, demander un avis médical.

THE SCIENCE OF MARINE SKINCARE

Avertissement : Usage externe uniquement. Éviter tout contact avec les yeux. En cas de contact avec les yeux, rincer abondamment. Cesser l'utilisation en cas de rougeurs ou d'irritation. Tenir hors de portée des enfants. En cas d'ingestion, consulter un médecin ou appeler le Centre Anti-Poison immédiatement. Si les irritations et les rougeurs persistent, consulter un médecin.

Attention au Soleil : le soleil peut provoquer des brûlures, contribuer au vieillissement cutané prématuré et favoriser le cancer de la peau. Éviter l'exposition au soleil, porter des vêtements protecteurs et utiliser régulièrement des écrans solaires peut contribuer à réduire les méfaits du soleil.

THE SCIENCE OF MARINE SKINCARE

LOCIÓN HIDRATANTE FPS 30

Esta fórmula hidratante, científicamente avanzada, ayuda a la piel a resistir el daño causado por el estrés ambiental.

- Los filtros solares de amplio espectro ofrecen la máxima protección contra los efectos dañinos de los rayos UVA/UVB
- Las microsferas marinas activadas por rayos UV desprenden un concentrado de vitaminas antioxidantes C y E al exponerse a la luz solar
- Los agentes botánicos marinos aportan hidratación profunda para conseguir un cutis de aspecto terso y sano

Modo de empleo: Aplicar a diario sobre la cara y el cuello limpios antes de la exposición solar. Consultar con un médico antes de usar en niños menores a 6 meses.

Precauciones: Sólo para uso externo. Evitar el contacto con los ojos. Si se produce el contacto, enjuagar bien con agua. Discontinuar en caso de erupción o irritación. Manténgase fuera del alcance de los niños. En caso de ingestión, obtener inmediatamente atención médica o contactar con el centro de control de venenos. Si la irritación o erupción persiste, consultar con un médico.

Alerta solar: La exposición solar puede causar quemaduras, envejecimiento prematuro y cáncer de piel. Evitar el sol, utilizar prendas de vestir protectoras y el uso regular y prolongado de filtros solares puede reducir los riesgos asociados a estos efectos dañinos.
