DRUG FACTS

Active Ingredients

Salicylic Acid 2.0%

Purpose

Acne Treatment

Uses

- treats acne
- Helps prevent the development or new acne blemishes

Warnings

For external use only

Using other topical medications at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

When using this product

- avoid contact with the eyes
- if contact occurs, rinse thoroughly with water

Keep out of reach of children

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with

one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor

- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
