Dr Talbot's™
Soothing Gel
Naturally Inspired

Soothes sore gums*
with Chamomile
Benzocaine/Belladonna free

SOOTHING GEL MADE IN USA

BPA Free

NET WT .53 oz (15 g)

Dr Talbot's™ Soothing Gel
Naturally Inspired

Drug Facts

Active ingredients (HPUS)	Purpose ¹
Arnica Montana, radix 30X HPUS 3.33%	sore gums
Calcarea Phosphorica 12X HPUS 3.33%	sensitive gums
Chamomilla 12X HPUS 3.33%	pain associated with irritability

¹HPUS indicates that the active ingredients are officially monographed in the Homeopathic Pharmacopeia of the United States.

Uses
Temporarily relieves sore gums, pain, and irritability due to oral discomfort.†

Warnings
Consult a physician if

- symptoms persist for more than 72 hours or worsen
- irritation, pain, or redness persists or worsens
- rash or fever develops
- swelling increases

Keep this and all medications out of the reach of children. In case of accidental overdose, contact a medical professional or a Poison Control Center immediately.

Directions

- Wash hands before use
- Cut open tip of tube on score mark
- Use your fingertip or cotton applicator to gently apply a small pea-size amount of Dr. Talbot's Soothing Gel to the affected area every 15 minutes as necessary or as directed by a physician or healthcare provider

Other information
Tamper evident - Do not use if tube tip is cut prior to opening.

Inactive ingredients
Aqua (Purified Water), Potassium Sorbate NF, Sodium Benzoate NF, Sorbic Acid NF, Vegetable Glycerin USP, Xanthan Gum NF.

Questions or comments?
Call us at 1-855-366-7755 (U.S.A. only) M-F 8am-5pm CT

¹Claims based on traditional homeopathic practice, not accepted medical evidence. Not FDA evaluated.

The Dr. Talbot's Gum-eez teether's textured design provides comfort to baby's delicate gums. It provides stimulus to the lips and tongue which promotes the transition from nursing to chewing. Conforms to Toy Safety Standard ASTM F963.
WARNING: DO NOT microwave or steam sterilize. Always use this product with adult supervision. Not intended for use by children. Before each use, check teether. If damaged, discard and replace with a new teether.
CLEANING: Can be boiled. Wash before initial use and after each subsequent use. Dishwasher safe (top rack only), or hand wash with warm, soapy water. Rinse and dry thoroughly.
IMPORTANT: Remove any plastic attachments and packaging before giving to children. Please retain these instructions for future reference.

¹Claims based on traditional homeopathic practice, not accepted medical evidence. Not FDA evaluated.

The Dr. Talbot's Gum-eez teether's textured design provides comfort to baby's delicate gums. It provides stimulus to the lips and tongue which promotes the transition from nursing to chewing. Conforms to Toy Safety Standard ASTM F963.

WARNING: DO NOT microwave or steam sterilize. Always use this product with adult supervision. Not intended for use by children. Before each use, check teether. If damaged, discard and replace with a new teether.

CLEANING: Can be boiled. Wash before initial use and after each subsequent use. Dishwasher safe (top rack only), or hand wash with warm, soapy water. Rinse and dry thoroughly.

IMPORTANT: Remove any plastic attachments and packaging before giving to children. Please retain these instructions for future reference.
