Dextromethorphan HBr 10 mg

Dextromethorphan HBr 10 mg.....Cough suppressant

Uses

Uses

■ temporarily relieves cough due to minor throat and bronchial irritation as may occur with a cold

Warnings

Do not use

■ if you are now taking a prescription monoamine oxidase inhibitor (MAOI) (certain drugs for depression, psychiatric, or emotional conditions, or Parkinson's disease), or for 2 weeks after stopping the MAOI drug. If you do not know if your prescription drug contains an MAOI, ask a doctor or pharmacist before taking this product.

Ask a doctor before use if you have

- a sodium-restricted diet
- persistent or chronic cough such as occurs with smoking, asthma, or emphysema
- cough that occurs with too much phlegm (mucus)

When using this product

- do not exceed recommended dosage

Stop use and ask a doctor if

■ cough lasts more than 7 days, comes back, or occurs with fever, rash, or headache. These could be signs of a serious condition.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away
