

**NEOVA DAY THERAPY SPF 30- homosalate, octocrylene, octisalate, avobenzone lotion
PhotoMedex, Inc.**

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Neova Day Therapy - SPF 30 - 2ML - 0.07 FL. OZ - package insert

WARNINGS:

For external use only. Avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water. Discontinue use if irritation or rash appears. Keep out of reach of children. In case of accidental ingestion, seek professional assistance or contact a Poison Control Center immediately.

Directions:

Apply liberally to face and neck in the morning.

Supplied

in a 1.7 oz / 50mL airless pump.

Active Ingredients:

Homosalate 7%, Octocrylene, 6%,
Octisalate 5%, Avobenzone 3%

Purpose:

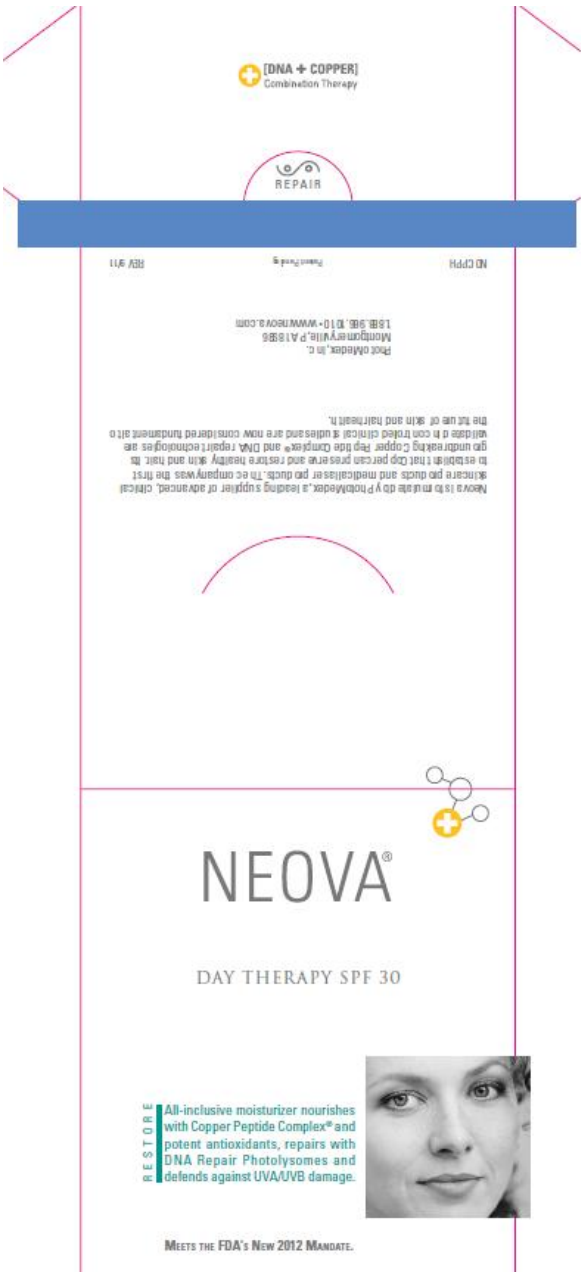

Sunscreen

Ingredients:

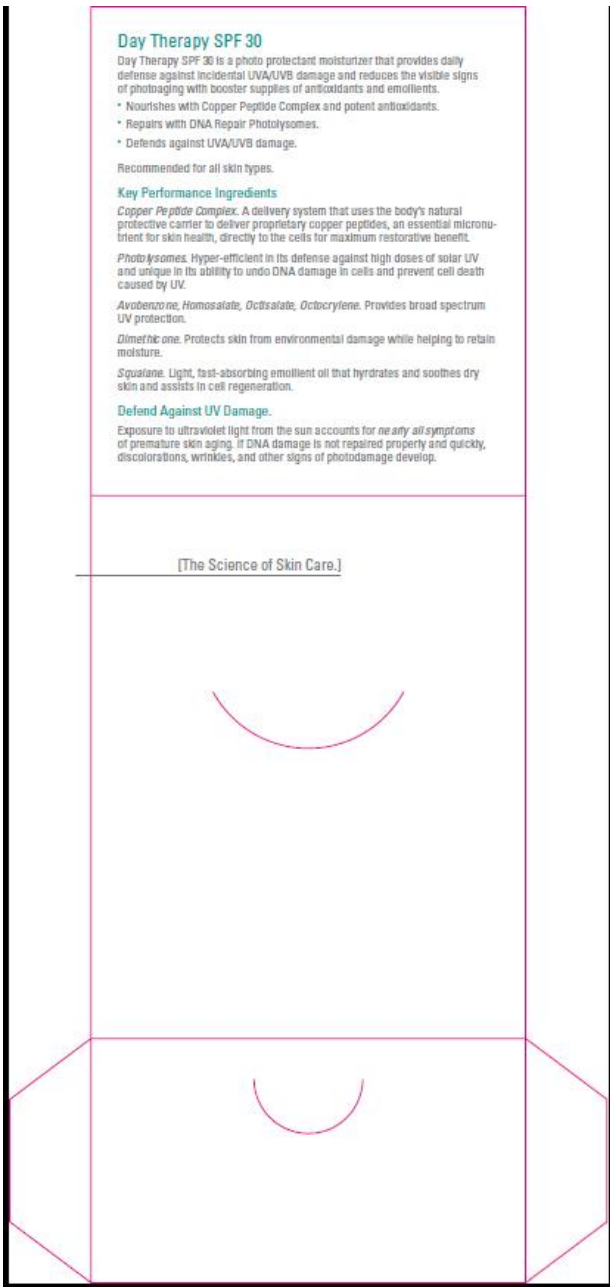

Water (Aqua), Isododecane, Hydrogenated Polydecene, Glycerin, Glyceryl Stearate, Arachidyl Alcohol, Behenyl Alcohol, Bis (Tripeptide-1) Copper Acetate, Plankton Extract, Triticum Vulgare (Wheat) Gluten Extract, Glycine Soja (Soybean) Seed Extract, Dimethicone, Arachidyl Glucoside, Caprylyl Glycol, Xanthan Gum, Cetyl Alcohol, PEG-100 Stearate, Prunus Armeniaca (Apricot) Kernel Oil, Squalane, Ammonium Acrylate/Acrylamide Copolymer, Polyisobutene, Polysorbate 20, Sodium Hydroxide, Lecithin, Sodium Chloride, Phenoxyethanol, Sorbic Acid. May Contain +/- Ultramarines.

Combination Therapy
[DNA + COPPER]

NEOVA®

PhotoMedex Inc., Dist.
Montgomeryville, PA 18936
Made in the USA

1.888.966.1010
www.neova.com

Neova® is formulated by PhotoMedex, a leading supplier of advanced, clinical skincare products and medical laser products. The company was the first to establish that Copper can preserve and restore healthy skin and hair. Its groundbreaking Copper Peptide Complex® and DNA repair technologies are validated in controlled clinical studies and are now considered fundamental to the future of skin and hair health.

Creme de la Copper

Description

An intense treatment, with Copper Peptide Complex, ceramides, antioxidants and DNA Repair Mitosomes, deeply nourishes and revitalizes photodamaged skin.

Key Performance Ingredients

Copper Peptide Complex. Also known as *Bis (Tripeptide-1) Copper Acetate*, a delivery system that uses the body's natural protective carrier to deliver proprietary copper peptides, an essential micronutrient for skin health, directly to the cells for maximum restorative benefit.

Mitosomes. A liposome encapsulated repair enzyme, *Ara bidopsis Thaliana*, known to protect the cell's genetic material from free radical damage, aid in the removal of oxidation in the cell's nucleus and its energy-generating mitochondria.

Skinmimics®. A highly effective blend of Ceramides provides protection by correcting defects in the stratum corneum lipid barrier, regeneration by

Ingredients: Water (Aqua), Glyceryl Stearate, Stearic Acid, Cetyl Alcohol, Sodium Behenoyl Lactylate, Octylododecyl Neopentanoate, C12-15 Alkyl Benzoate, Cyclopentasiloxane, Dimethicone, Bis (Tripeptide-1) Copper Acetate, Micrococcus Lysate, Ceramide EOP, Ceramide EOS, Ceramide NP, Ceramide NS, Ceramide AP, Caprooyl-Phytosphingosine, Caprooyl-Sphingosine, Sodium Hyaluronate, Sodium Carboxymethyl Betaglukan, Camellia Oleifera (Green Tea) Extract, Cyclohexasiloxane, Phenoxyethanol, Caprylyl Glycol, Ethylhexylglycerin, Hexylene Glycol, Hydroxyethylcellulose, Ceteareth-25, Glycerin, Cetyl Alcohol, Behenic Acid, Cholesterol, Butylene Glycol, Propylene Glycol, Vitis Vinifera (Grape) Seed Extract, Prunus Armeniaca (Apricot) Kernel Oil, Squalane, Propylene Glycol Isoocteth-3 Acetate, Sodium Chloride, Ethylhexyl Stearate, Tocopheryl Acetate.

Refining Eye Lift

Description

Highly effective serum, with Copper Peptide Complex and DNA Repair Mitosomes, tightens, tones and immediately minimizes the appearance of fine lines and wrinkles.

Key Performance Ingredients

Copper Peptide Complex. Also known as *Alanine/Histidine/Lysine Polypeptide Copper HCl*, a patented delivery system that uses the body's natural protective carrier to deliver proprietary copper peptides, an essential micronutrient for skin health, directly to the cells for maximum restorative benefit.

Mitosomes. A liposome encapsulated repair enzyme, *Arabidopsis Thaliana*, known to protect the cell's genetic material from free radical damage, aid in the removal of oxidation in the cell's nucleus and its energy-generating mitochondria.

Argireline®. Also known as *Acetyl Hexapeptide-8*, a chain of six amino acids that safely mimics the actions of BOTOX® by relaxing the muscle contractions that create expression lines and wrinkles.

Saccharomyces Lysate Extract. Strongly boosts skin's oxygen content; reduces puffiness and inflammation.

Sodium Hyaluronate. A powerful humectant, deeply hydrates and binds up to 1,000 times its own weight in moisture, providing an immediate moisturizing boost.

Indications: Refining Eye Lift minimizes the appearance of fine lines and wrinkles by temporarily relaxing facial expression muscles as it strengthens and nourishes delicate periorbital skin.

Recommended for all skin types.

Directions for Use: Apply gently to area around eyes after morning and evening cleansing. Avoid getting into eyes.

Supplied as a lightweight serum in a 0.5 fl. oz. / 15mL airless pump.

Ingredients: Water (Aqua), Dimethicone, Cyclopentasiloxane, Cyclohexasiloxane, Acetyl Hexapeptide-8, Polysorbate 20, Polyacrylamide, Alanine/Histidine/Lysine Polypeptide Copper HCl, Arabidopsis Thaliana Extract, Sodium Hyaluronate, Sodium Carboxymethyl Betaglukan, Camellia Oleifera (Green Tea) Leaf Extract, Vitis Vinifera (Grape) Seed Extract, Butylene Glycol, Ilex Paraguariensis (Paraguay Tea) Leaf Extract, Centella Asiatica Extract, Echinacea Purpurea Extract, Saccharomyces Lysate Extract, C13-14 Isoparaffin, Squalane, Ubiquinone, Lecithin, Ethylhexyl Palmitate, Caprylic/Capric Triglyceride, Tocopheryl Acetate, Oenothera Biennis (Evening Primrose) Oil, Laureth-7, Microcrystalline Cellulose, Cellulose Gum, Phenoxyethanol, Caprylyl Glycol, Ethylhexylglycerin, Hexylene Glycol, Fragrance (Parfum).

sodium carboxymethyl betaglukan, regeneration by stimulating the epidermal renewal and prevention by supplementing the skin's own precursor substances to activate lipid synthesis.

Vitis Vinifera (Grape) Seed Extract. A potent antioxidant helpful in diminishing UV damage, reducing free radical damage and restructuring the skin barrier.

Indications: Creme de la Copper is for the treatment of the visible signs of photo- and intrinsic aging.

Recommended for normal to dry/mature skin.

Directions for Use: Apply daily, immediately after AM and PM cleansing, or as directed by your skin care professional.

Supplied in a 1.7 oz / 50mL airless pump.

Ingredients: Water (Aqua), Caprylic/Capric Triglyceride, Butylene Glycol, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Simmondsia Chinensis (Jojoba) Seed Oil, Stearic Acid, PEG-100 Stearate, Glyceryl Stearate, Ricinus Communis (Castor) Seed Oil, Cetyl Alcohol, Bis (Tripeptide-1) Copper Acetate, Arabidopsis Thaliana Extract, Ceramide NP, Ceramide NS, Ceramide EOS, Ceramide EOP, Ceramide AP, Caprooyl Phytosphingosine, Caprooyl Sphingosine, Dimethicone, Polysorbate 80, Lecithin, Beeswax, Ceteareth-25, Glycerin, Behenic Acid, Cholesterol, Sorbitan Stearate, Vitis Vinifera (Grape) Seed Extract, Magnesium Aluminum Silicate, Allantoin, Xanthan Gum, Sodium Chloride, Triethanolamine, Phenoxyethanol, Caprylyl Glycol, Sodium Chloride, Ethylhexylglycerin, Hexylene Glycol.

Day Therapy SPF 30

Description

All-inclusive moisturizer nourishes with Copper Peptide Complex and potent antioxidants, repairs with DNA Repair Photolysomes and defends against UVA/UVB damage.

Key Performance Ingredients

Copper Peptide Complex. Also known as *Bis (Tripeptide-1) Copper Acetate*, a delivery system that uses the body's natural protective carrier to deliver proprietary copper peptides, an essential micronutrient for skin health, directly to the cells for maximum restorative benefit.

Photolysomes. The liposome encapsulated DNA repair enzyme, *Photolyase* derived from plankton, is hyper-efficient in its defense against high doses of solar UV and unique in its ability to undo DNA damage in cells and prevent cell death caused by UV.¹

Avobenzene, Homosalate, Octisalate, Octocrylene. Provides broad spectrum UV protection.

Dimethicone. Protects skin from environmental damage while helping to retain moisture.

Squalane. Light, fast-absorbing emollient oil that hydrates and soothes dry skin and assists in cell regeneration.

WARNINGS: For external use only. Avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water. Discontinue use if irritation or rash appears. Keep out of reach of children. In case of accidental ingestion, seek professional assistance or contact a Poison Control Center immediately.

Indications: Day Therapy SPF 30 is for daily protection against UVA/UVB damage as part of a complete healthy skin regimen.

Recommended for all skin types.

Directions for Use: Apply liberally to face and neck in the morning.

Supplied in a 1.7 oz / 50mL airless pump.

Active Ingredients: Avobenzene 3%, Homosalate 7%, Octisalate 5%, Octocrylene, 6%.

Ingredients: Water (Aqua), Isododecane, Hydrogenated Polydecene, Glycerin, Glyceryl Stearate, Arachidyl Alcohol, Behenyl Alcohol, Bis (Tripeptide-1) Copper Acetate, Plankton Extract, Triticum Vulgare (Wheat) Gluten Extract, Glycine Soja (Soybean) Seed Extract, Dimethicone, Arachidyl Glucoside, Caprylyl Glycol, Xanthan Gum, Cetyl Alcohol, PEG-100 Stearate, Prunus Armeniaca (Apricot) Kernel Oil, Squalane, Ammonium Acrylate/Acrylamide Copolymer, Polyisobutene, Polysorbate 20, Sodium Hydroxide, Lecithin, Sodium Chloride, Phenoxyethanol, Sorbic Acid. May Contain +/- Ultramarines.

DNA Repair Factor Nourishing Lotion

Description

A highly effective, advanced moisturizer that provides the restorative action of copper peptide and DNA repair factor combination therapy to treat past damage and resist future consequences of photoaging.

Key Performance Ingredients

Copper Peptide Complex. Also known as *Alanine/Histidine/Lysine Polypeptide Copper HCl*, a patented delivery system that uses the body's natural protective carrier to deliver proprietary copper peptides, an essential micronutrient for skin health, directly to the cells for maximum restorative benefit.

Gossypium Hirsutum (Cotton) Extract. Also known as *Heliodermoline®*, identifies DNA damage caused by UV exposure and speeds its repair.

Prode®. A powerful group of free amino acids that mimics the natural moisturizing factors of the skin and provides advanced hydration properties.

Dimethicone. Protects skin from environmental damage while helping to retain moisture.

Hydrolyzed Collagen. Rich in protein extracts, optimizes the skin's natural collagen production.

Camellia Oleifera Leaf Extract. Also known as Japanese Green Tea, calms and soothes the signs of irritation.

Indications: DNA Repair Factor Nourishing Lotion is for the treatment of direct and indirect photodamage to repair UV insults and to help skin resist photoaging.

Recommended for all skin types, especially those presenting with mild to moderate degrees of photodamage.

Directions for Use: Apply daily, immediately after AM and PM cleansing, or as directed by your skin care professional.

Supplied in a 1.7 oz / 50mL airless pump.

Ingredients: Water (Aqua), Cyclopentasiloxane, Petrolatum, Polysilicone-11, Gossypium Hirsutum (Cotton) Extract, Glyceryl Stearate, PEG-100 Stearate, Phenyl Trimethicone, Glycerin, Dimethicone, Hydrogenated Polyisobutene, Butylene Glycol, Cetearyl Alcohol, Sodium Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Isohexadecane, Polysorbate 80, Cetyl Alcohol, Sodium PCA, Betaine, Sorbitol, Glycine, Alanine, Proline, Serine, Threonine, Arginine, Lysine, Glutamic Acid, Alanine/Histidine/Lysine Polypeptide Copper HCl, Allantoin, Ceteareth-20, Polysorbate 60, Tocopheryl Acetate, Panthenol, Camellia Oleifera Leaf Extract, Aloe Barbadensis Leaf Juice, Laminaria Digitata Extract, Soluble Collagen, Xanthan Gum, Phenoxyethanol, Caprylyl Glycol, Ethylhexylglycerin, Hexylene Glycol, Trisodium EDTA, Fragrance (Parfum), Benzyl Salicylate, Butylphenyl Methylpropional, Hexyl Cinnamal, Linalool.

Eye Therapy

Description

Regenerating treatment, with Copper Peptide Complex and DNA Repair Mitosomes, reduces the appearance of puffiness, dark under-eye circles, and fine lines and wrinkles.

Key Performance Ingredients

Copper Peptide Complex. Also known as *Bis (Tripeptide-1) Copper Acetate*, a delivery system that uses the body's natural protective carrier to deliver proprietary copper peptides, an essential micronutrient for skin health, directly to the cells for maximum restorative benefit.

Mitosomes. A liposome encapsulated repair enzyme, *Arabidopsis Thaliana*, known to protect the cell's genetic material from free radical damage, aid in the removal of oxidation in the cell's nucleus and its energy-generating mitochondria.

Haloxyl™. Also known as *N-Hydroxysuccinimide, Chrysin, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7*, prevents and diminishes the appearance of dark circles under the eyes by targeting the underlying cause of dark circles. Clinical studies show that Haloxyl decreases the color intensity of the discoloration by as much as 45%.²

Skinmimics®. A highly effective blend of Ceramides provides protection by correcting defects in the stratum corneum lipid barrier, regeneration by stimulating the epidermal renewal and prevention by supplementing the skin's own precursor substances to activate lipid synthesis.

Antioxidant Blend. An extremely potent combination of antioxidants, including Sodium Carboxymethyl Betaglucon, Camellia Oleifera Extract,

can, Camellia Oleifera (Green Tea) Leaf Extract, Vitis Vinifera (Grape) Seed Extract, Butylene Glycol, Ilex Paraguariensis (Paraguay Tea) Leaf Extract, Centilla Asiatica Extract, Echinacea Purpurea Extract, Saccharomyces Lysate Extract, Ceteareth-25, Glycerin, Cetyl Alcohol, Behenic Acid, Cholesterol, C13-14 Isoparaffin, Squalane, Ubiquinone, Steareth-20, Lecithin, Ethylhexyl Palmitate, Caprylic/Capric Triglyceride, Tocopheryl Acetate, Oenothera Biennis (Evening Primrose) Oil, Laureth-7, Microcrystalline Cellulose, Cellulose Gum, Phenoxyethanol, Caprylyl Glycol, Sodium Chloride, Ethylhexylglycerin, Hexylene Glycol.

Maximum Body Repair

Description

Advanced formula reinvents skin repair with the age defying power of Copper Peptide Complex and DNA repair technology. It nourishes and restores by aiding in the prevention and correction of visible damage from UV exposure, dramatically firming and improving the signs of premature, intrinsic and UV aging.

Key Performance Ingredients

Copper Peptide Complex. Also known as *Bis (Tripeptide-1) Copper Acetate*, a delivery system that uses the body's natural protective carrier to deliver proprietary copper peptides, an essential micronutrient for skin health, directly to the cells for maximum restorative benefit.

Endosomes. A liposome encapsulated extract from the marine microbe, *Micrococcus Lysate*. Extremely UV-resistant, the extract contains the enzyme UV-endonuclease which intensifies the skin's ability to repair sun-inflicted DNA damage, speeding recovery reaction, and reducing the appearance of post-sunburn peeling.³

Allantoin. An extract of the comfrey plant, Allantoin is known to boost skin moisture, increase the smoothness of the skin, and stimulate cell proliferation to promote healthy skin. It also relieves skin irritation, making it effective against sunburn.

Persea Gratissima. Also known as Avocado Oil, is easily absorbed into deep tissue to provide a superior moisturizing and softening effect on skin. Soothes dehydrated, sun or climate damaged skin and assists in the regeneration of new cells.

Dimethicone. Protects skin from environmental damage while helping to retain moisture.

Indications: Maximum Body Repair is for the treatment of photodamage. It is designed to repair UV insults and help skin resist the visible signs of photoaging.

Recommended for all skin types.

Directions for Use: Apply daily to hands and body as often as needed.

Supplied in an 8 oz / 240mL pump bottle.

Ingredients: Water (Aqua), Glyceryl Stearate, Caprylic/Capric Triglyceride, C12-15 Alkyl Benzoate, Stearic Acid, Cetyl Alcohol, Sodium Behenoyl Lactylate, Bis (Tripeptide-1) Copper Acetate, Micrococcus Lysate, Persea Gratissima (Avocado) Oil, Dimethicone, Allantoin, Squalane, Tridecyl Stearate, Neopentyl Glycol Dicaprylate/Dicaprate, Tridecyl Trimellitate, Phenoxyethanol, Caprylyl Glycol, Ethylhexylglycerin, Hexylene Glycol, Hydroxyethylcellulose, Cyclopentasiloxane, Cyclohexasiloxane, Tocopheryl Acetate, Sodium Chloride, Lecithin, Fragrance (Parfum), Benzyl Benzoate, Benzyl Cinnamate, Benzyl Salicylate, Butylphenyl Methylpropional, Citronellol, Hexyl Cinnamal, Hydroxycitronellal, Hydroxyisohexyl 3-Cyclohexene Carboxaldehyde Linalool.

Night Therapy

Description

Powerful formula, containing Copper Peptide Complex, antioxidants and DNA Repair Endosomes, maximizes cell repair functioning at night and restores moisture levels.

Key Performance Ingredients

Copper Peptide Complex. Also known as *Bis (Tripeptide-1) Copper Acetate*, a delivery system that uses the body's natural protective carrier to deliver proprietary copper peptides, an essential micronutrient for skin health, directly to the cells for maximum restorative benefit.

Endosomes. A liposome encapsulated extract from the marine microbe, *Micrococcus Lysate*. Extremely UV-resistant, the extract contains the enzyme UV-endonuclease which intensifies the skin's ability to repair sun-inflicted DNA damage, speeding recovery reaction, and reducing the appearance of post-sunburn peeling.⁴

Tocopheryl Acetate and Vitis Vinifera (Grape) Seed Extract, helps to defend the skin against free radical damage.

Sodium Hyaluronate. A powerful humectant that deeply hydrates and binds up to 1,000 times its own weight in moisture, providing an immediate moisturizing boost.

Saccharomyces Lysate Extract. Reduces puffiness and inflammation.

Indications: Eye Therapy is a replenishing treatment for delicate periorbital skin, nourishing and strengthening while relieving puffiness and the appearance of dark undereye circles.

Recommended for all skin types.

Directions for Use: Apply gently around eye after cleansing.

Supplied in a 0.5 oz / 15mL airless pump.

Ingredients: Water (Aqua), Dimethicone, Cyclopentasiloxane, Cyclohexasiloxane, Polysorbate 20, Poyacrylamide, Bis (Tripeptide-1) Copper Acetate, Arabidopsis Thaliana Extract, N-Hydroxysuccinimide, Chrysin, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7, Ceramide EOP, Ceramide EOS, Ceramide NP, Ceramide NS, Ceramide AP, Caprooyl-Phytosphingosine, Caprooyl-Sphingosine, Sodium Hyaluronate, Sodium Carboxymethyl Betaglu-

Skinmimics®. A highly effective blend of Ceramides provides protection by correcting defects in the stratum corneum lipid barrier, regeneration by stimulating the epidermal renewal and prevention by supplementing the skin's own precursor substances to activate lipid synthesis.

Antioxidant Blend. An extremely potent combination of antioxidants, including Sodium Carboxymethyl Betaglucon, Camellia Oleifera Extract, Tocopheryl Acetate and Vitis Vinifera (Grape) Seed Extract, helps to defend the skin against free radical damage.

Sodium Hyaluronate. A powerful humectant that deeply hydrates and binds up to 1,000 times its own weight in moisture, providing an immediate moisturizing boost.

Indications: Night Therapy targets signs of damage for renewal during the restorative hours of sleep, optimizes moisture retention and relieves visible signs of photoaging.

Recommended for all skin types.

Directions for Use: Apply one metered dose to face and neck every evening after cleansing and treating.

Supplied as a lightweight lotion in a 1.7oz / 50mL airless pump.
