This advanced moisturizer provides full body, super absorbant hydration while helping to repair and protect, for smoother, radiant and younger looking skin. Formulated with Pharmagel's® exclusive Photosome Reconstructive Complex™ to boost effectiveness, it helps to diminish the appearance of fine lines and wrinkles. Sunscreen and antioxidant ingredients provide a daily barrier that pampers skin while guarding from environmental damage.

Sun Therapè™ Body Shield has dual skin protection benefits. First, it helps to screen out the sun's burning UVB rays, and second, it filters UVA rays that age skin by penetrating through the surface to the deep layers.

This advanced anti-aging protective body moisturizer is an ideal daily treatment because it is age defying and super absorbant.
