Auvon 4% Menthol Pain Relief Gel

Menthol 4%

Topical Analgesic

Temporary relief from minor aches and pains of sore muscles and joints

For external use only

If you are under 12 years of age

If you are allergic to the listed ingredients

If you are pregnant or breast feeding

On wounds, cuts, damaged/broken/irritated skin

■ Use only as directed

■ Read and follow all directions and warnings on this label

You are experiencing pain, swelling or blistering

Redness is present or irritation develops

Symptoms persist for more than 7 days or clear up and occur again within a few days

If swallowed, get medical help or contact a Poison Control Center right away.

Clean and dry the patch application area (no wound or hair), pull to separate the film, peel off one side of the film, apply the exposed patch to the skin, peel off the other side of the film, and press the patch firmly ■ Do not repeatedly use or repeatedly reapply the patch as far as possible

Use in the affected area no more than 4 times daily

Wash hands with cool water after use

Store it in a dry place at a room temperature between 20-25°C and away from direct sunlight

Pain Relief Gel

Cool Your Pain Away

- Fast Cooling Pain Relief
- Quickly Absorbed
- Non-Greasy

4% MENTHOL

Cold Therapy Pain Relief

2 PACKS
3 FL OZ (89 ml) PER PACK
NDC#83991-007-02

COOL YOUR PAIN AWAY

- Neck & Shoulder
- Back
- Knee & Elbow
- Ankle & Leg

HOW TO USE

- Twist the cap counterclockwise to open it.
- Peel off the seal film.
- Tighten the cap clockwise to close it.
- Squeeze the gel into the area of pain and rub in evenly.

Note:

- The scent will gradually fade over time.
- The presence of green mint gel residue is normal. If it gets on clothing, simply soak in water for a while and it will disappear.
- It is normal for a film of dried gel residue to form on the skin; you can simply rinse with water to clean.

Drug Facts

Active ingredient: Menthol 4% **Purpose:** Topical analgesic

Use: Temporarily relieves minor aches and pains of muscles and joints associated with simple backache, arthritis, strains, bruises, and sprain.

Warnings:

- Please read all directions and warnings as follows and use only as directed.
- For external use only.**
- Keep out of reach of children and pets. If swallowed, get medical help or contact a Poison Control Center right away.
- Flammable: Keep away from excessive heat or open flame. Do not heat, microwave, add to hot water or any container where heating water may cause sputtering and result in burns.
- If pregnant or breast-feeding, ask a health professional before use.
- Do not bandage tightly.
- Avoid contact with the eyes.
- Do not apply to wounds or damaged skin.

Do not use:

- Unless you are under the age of 12, please consult a doctor. If you're allergic to the listed ingredients.
- If the package arrives damaged or opened.
- At the same time as other topical analgesics.
- On mucous membranes, cuts, broken, swollen, or irritated skin.

Stop use and ask a doctor if:

- Condition worsens, or if symptoms persist for more than 7 days or clear up and occur again within a few days.
- If you experience any signs of deterioration or skin injury, such as redness, irritation, swelling, or blistering.
- If the arthritic pain persists for more than 10 days, or redness is present.

Directions:

- Rub a thin film over the affected area not more than 3 to 4 times daily.
- Wash hands after use.

Other information:

- Store in a dry place at room temperature between 20-25°C (68-77°F) and away from direct sunlight.
