

PREVENTION MOUTH SORE RINSE- hydrogen peroxide liquid
Prevention Health Sciences, Inc.

Prevention Mouth Sore Relief

Drug Facts

Active ingredient

Hydrogen peroxide 1.4%

Purpose

Oral debriding agent / Oral wound cleanser

Uses

- Aids in the removal of phlegm, mucus or other secretions associated with occasional sore mouth.
- For temporary use in cleansing minor wounds or minor gum inflammation resulting from minor dental procedures, dentures, orthodontic appliances, accidental injury, or other irritations of the mouth and gums.
- For temporary use to cleanse canker sores.

Warnings

Do not use for more than 7 days unless directed by a dentist or doctor

Stop use and ask a doctor if

- sore mouth symptoms do not improve within 7 days
- irritation, pain or redness persists or worsens
- swelling, rash or fever develops

Keep out of reach of children. If more than used for rinsing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults and children 2 years of age and older: swish one capful (10 ml) around in mouth over affected area for at least one minute and then spit out
- use up to 4 times daily after meals and at bedtime or as directed by a dentist or doctor
- children under 12 should be supervised in the use of product.
- children under 2 years of age: consult a dentist or doctor.

Other information

- keep away from heat or direct sunlight
- **Do not use if safety seal under cap is broken or missing**

Inactive ingredients Citric Acid, Disodium EDTA, Glycerin, Menthol, Peppermint Oil, Poloxamer 407, Polysorbate 20, Purified Water, Sodium Citrate, Sucralose, Zinc Chloride
