

CALENDULA- calendula officinalis flowering top cream
Laboratoires Boiron

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Calendula Cream 2.5oz, 0.5oz, 0.18oz

Active ingredient**

Calendula officinalis 1X HPUS 10%

The letters "HPUS" indicate that the components in this product are officially monographed in the Homeopathic Pharmacopoeia of the United States.

Purpose*

Calendula officinalis 1X HPUS 10% ... Healing agent

- helps promote healing of minor:
- cuts
- scrapes
- chafing
- burns
- sunburn
- protects skin

For external use only.

Do not use if you are allergic to Calendula officinalis or to any of the product's inactive ingredients.

When using this product

- do not get into eyes
- avoid diaper area

Ask a doctor before use in case of deep or puncture wounds, animal bites, or serious burns.

Stop use and ask doctor if condition persists for more than 3 days or worsens.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

For minor burns, immediately run cool water on the burn for several minutes and pat dry. Then apply a thin layer of Calendula Cream to affected area 3 times a day.

For cuts, scrapes, chafed skin, and sunburn, first cleanse the area with mild soap, rinse, and pat dry. Then apply a thin layer of Calendula Cream to affected area 3 times a day.

arachidyl alcohol, arachidyl glucoside, behenyl alcohol, Butyrospermum parkii (Shea) butter, coconut oil, glycerin, lactobacillus ferment, purified water, xanthan gum

ingredient

Calendula officinalis (Garden marigold) has been used topically for generations to naturally heal skin irritations. Calendula Cream is ideal for use on sensitive skin, e.g. the face or children. Use it on dry skin, scrapes or chafing.

- Soothes, moisturizes & heals
- Paraben-free

The Boiron Promise

At Boiron, we believe there's more than one way to feel better. Since 1932, the Boiron family has been committed to providing quality medicines. As world leader in homeopathy, our passion is your health. Our promise is your satisfaction. Please visit BoironUSA.com/ promise for details.

Drug Facts

Active ingredient**

Calendula officinalis _____ .Healing agent
1X HPUS-10%

The letters HPUS indicate that this ingredient is officially included in the Homeopathic Pharmacopoeia of the United States.

Purpose*

Uses*

- Helps promote healing of cuts, scrapes, chafing, minor burns and sunburns.

Warnings

For external use only. Avoid contact with eyes. **Do not use** if you are allergic to Calendula officinalis or to this product's inactive ingredients. **Ask a doctor before use** in case of deep or puncture wounds, animal bites or serious burns. **Stop use and ask a doctor** if condition persists for more than 3 days or worsens. **Keep out of reach of children. If swallowed, get medical help** or contact a Poison Control Center right away.

Directions

- For minor burns, immediately run cool water on the burn for several minutes and dry. For scrapes, skin irritations and sunburn, first cleanse the area with mild soap, rinse and dry. ■ Then apply a thin layer of Calendula Cream to affected area 3 times a day or as needed.

Other information

- do not use if glued carton end flaps are open or if the tube seal is broken
- store at 68-77°F (20-25°C).

*Homeopathic mother tincture made from Calendula officinalis flowering tops.
**These "Uses" have not been evaluated by the Food and Drug Administration.
**C, K, CK, and X are homeopathic dilutions: see BoironUSA.com/info for details.

CalendulaCream

Use **Calendula** at the first sign of skin irritation and feel better faster
