Oxymetazoline hydrochloride 0.05%

Purpose:

Nasal Decongestant

Uses:

■ temporarily relieves nasal congestion due to:
■ a cold
■ hay fever or other upper respiratory allergies
■ promotes nasal and/or sinus drainage; temporarily relieves sinus congestion and pressure
■ helps clear nasal passages; shrinks swollen membranes

Purpose:

Nasal Decongestant

Warnings
Ask a doctor before use if you have
■ heart disease

■ high blood pressure
■ thyroid disease

■ diabetes
■ difficulty in urination due to enlargement of the prostate gland

When using this product
■ do not exceed recommended dosage
■ do not use this product for more than 3 days. Use only as directed. Frequent or prolonged use may cause nasal congestion to recur or worsen.
■ this product may cause temporary discomfort such as burning, stinging, sneezing, or an increase in nasal discharge
■ the use of this container by more than one person may spread infection

Stop use and ask a doctor if symptoms persist

Directions
■ adults and children 6 to under 12 years of age (with adult supervision): 2 or 3 sprays in each nostril, not more often than every 10 to 12 hours. Do not exceed 2 doses in any 24-hour period.
■ children under 6 years of age: consult a doctor.

Shake well before use.
To open, hold by the white grips then squeeze, push down firmly and turn cap counterclockwise. Before using for the first time, remove the protective cap from the tip and prime metered pump by depressing firmly several times. To spray, hold bottle with thumb at the base and nozzle between first and second fingers.Without tilting head, insert nozzle into nostril. Fully depress pump all the way down with a firm even stroke and sniff deeply.

Wipe nozzle clean after use. To close, turn cap clockwise.
DO NOT DISCARD CAP.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Other information
■ store at 20-25°C (68-77°F)
