dermalogica[®]

clearing mattifier

Medicated balm helps clear breakouts, reduce congestion and provide superior shine control.

Apply after cleansing and toning to help maintain an all-day matte finish. Salicylic Acid helps clear up acne by stimulating natural exfoliation and eliminating bacteria to reduce blackheads. Silicones gently smooths fine lines and uneven texture while antioxidant Grape Seed and Vitamin E help defend against skin damage. Great as a skin-smoothing makeup primer. Formulated without artificial fragrances and colors.

Ask your skin therapist for your free *Face Mapping*® skin analysis and *MediBac Clearing*® prescription to ensure maximum results and consistently clear skin.
