

CREST PRO-HEALTH GUM RESCUE PRO SOOTHING CLEAN- stannous fluoride paste, dentifrice
The Procter & Gamble Manufacturing Company

Crest Pro-Health Gum Rescue Pro Soothing Clean

Drug Facts

Active ingredient

Stannous fluoride 0.454% (0.15% w/v fluoride ion)

Purposes

Anticavity, antigingivitis toothpaste

Uses

- aids in the prevention of cavities
- helps prevent gingivitis
- helps interfere with the harmful effects of plaque associated with gingivitis
- helps control plaque bacteria that contribute to the development of gingivitis

Warnings

Keep out of reach of children under 12 yrs. of age. If more than used for brushing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults and children 12 yrs. of age and older: Brush teeth thoroughly, preferably after each meal or at least twice a day, or as directed by a dentist or physician.
 - do not swallow
 - children under 12 yrs. of age: ask a dentist

Other information

- products containing stannous fluoride may produce surface staining of the teeth
- adequate toothbrushing may prevent these stains which are not harmful or permanent and may be removed by your dentist
- this Crest is specially formulated to help prevent staining
- see your dentist regularly

Inactive ingredients

water, sorbitol, hydrated silica, sodium gluconate, sodium lauryl sulfate, carrageenan, sodium citrate, flavor, xanthan gum, cocamidopropyl betaine, zinc citrate, sodium hydroxide, stannous chloride, sodium saccharin, sucralose, titanium dioxide

Over time, plaque bacteria accumulates and builds up around the gumline, especially in areas of recession, making them weaker and more vulnerable to issues like bleeding, inflammation & irritation.

Crest Gum Rescue's patented formula is designed to deeply clean and remove plaque bacteria, help improve gum barrier function, making them more resistant to damage.
