feminine hygiene

keep out or reach of the children

Step 1

Wash your hands thoroughly before opening the product packaging.

Step 2

Hold the handle and partially remove the product. Then pull on the cap portion of the packaging to remove it along with the packaging.

Step 3

Holding the handle, press the plunger all the way down to apply the entire contents to the vulva.

Step 4

After use, gently rinse with water. Dispose of the used product along with its packaging.

Precautions for Use

If you experience abnormal symptoms or side effects such as red spots, swelling, or itching on the area of use during or after using the cosmetic product due to direct sunlight, consult with a specialist.

Avoid using on areas with wounds.

Precautions for storage and handling:

Keep out of reach of children.

Store away from direct sunlight.

Use only on the vulva, do not use inside the vagina.

Follow the prescribed usage and dosage carefully.

Do not use on infants and toddlers under 3 years old.

It is advisable not to use during pregnancy, and do not use on the area around the vulva immediately before delivery.

for external use only
