SANI PROFESSIONAL SANI-HANDS INSTANT HAND SANITIZING WIPES

Uses

- For hand washing to decrease bacteria on the skin.
- Recommended for repeated use.
- Dries in seconds

Warnings

- **Flammable, keep away from fire or flame.**
- **For external use only.**
- Do not use in or contact the eyes.
- Discontinue use if irritation and redness develop. If condition persist for more than 72 hours consult a physician.
- If swallowed, get medical help or contact a Poison Control Center immediately.

- **Keep this out of reach of children** unless under adult supervision.

Directions

- To dispense, lift cover, remove seal, pull center sheet from roll, twist to a point and feed through dispenser hole in cover. Keep cap closed to prevent moisture loss.
- Thoroughly wipe hands, fingers, and wrists. Be sure to use entire wipe.
- For dirty hands, use first wipe to clean hands, then discard wipe; sanitize with second wipe.
- Discard after single use.

Other information

Lot No. and Expiration Date can be found on the lid.

Dosage

For dirty hands, use first wipe to clean hands, then discard wipe; sanitize with second wipe. Discard after single use.

Inactive ingredients

Water, Propylene Glycol, Glycerin, Carbomer, Aminomethyl Propanol, Aloe Barbadensis Leaf Juice, Tocopheryl Acetate
