Temporarily relieves nasal congestion due to the common cold, sinusitis, hay fever or other respiratory allergies.

Temporarily relieves sneezing, itching of the nose or throat, and itchy watery eyes due to hay fever or other respiratory allergies.

Do not use this product if the seal is torn, broken or missing.

Do not take this product if you have a persistent or chronic cough, such as occurs with smoking, asthma, emphysema or when cough is accompanied by excessive secretions except under the advice and supervision of a physician.

Do not take other sedatives, tranquilizers or alcohol while taking this medication.

Do not use if you are taking monoamine oxidase inhibitors or other sympathomimetics.

If you are pregnant or breast-feeding, ask a health professional before using this product.

Sympathomimetic amines should be used with caution in patients with hypertension, diabetes mellitus, heart disease, peripheral vascular disease, increased intraocular pressure, hyperthyroidism or prostatic hypertrophy. May cause drowsiness. Sedatives and tranquilizers may increase the drowsiness effect.

Pharmacist: Preserve and dispense in tight-light resistance containers as defined in the USP.

Store between 15°-30°C (59°-86°F).

Do not accept this product if the safety seal is broken or missing.

Keep a box for information.
