

**CURIST HEMORRHOID FISSURE RELIEF- lidocaine cream**  
**Little Pharma, Inc**

-----  
***Active Ingredients***

Glycerin 14.4%

Lidocaine 5%

Petrolatum 15%

Phenylephrine HCL 0.25%

***Drug Facts***

***Purpose***

***Hemorrhoidal Cream***

***Warnings***

For external use only

***Uses***

- for the temporary relief of pain, soreness and burning
- helps relieve the local itching and discomfort associated with hemorrhoids
- temporarily shrinks hemorrhoidal tissue
- temporarily provides a coating for the relief of anorectal discomforts
- temporarily protects the inflamed irritated anorectal surface to help make bowel movements less painful

**Ask a doctor before use if you have**

- heart disease
- high blood pressure
- thyroid disease
- diabetes
- difficulty in urination due to the enlargement of the prostate gland

**Ask a doctor or pharmacist before use if you are** presently taking a prescription drug for high blood pressure or depression

**When using this product**

- avoid contact with eyes
- do not exceed recommended dosage unless directed by a doctor
- do not put this product into rectum by using fingers or any mechanical device or applicator

**If pregnant or breastfeeding,** ask a health professional before use.

**Stop use and ask a doctor if**

- rectal bleeding occurs
- condition worsens or does not improve within seven (7) days

- allergic reaction occurs to ingredients in this product
- symptom being treated does not subside or if redness, irritation, swelling, pain or other symptoms develop or increase

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away (1-800-222-1222)

**Directions**

- children under 12 years of age: consult a doctor
- adults: when practical, cleanse area with mild soap and warm water and rinse thoroughly. Gently dry by patting or blotting with toilet tissue or soft cloth before applying
- apply externally to the affected area up to 4 times daily, especially at night, in the morning or after each bowel movement
