#### FEXOFENADINE HYDROCHLORIDE- fexofenadine hydrochloride tablet Meijer Distribution, Inc

-----

### Fexofenadine HCI Tablets USP

### Active ingredient(s)

Fexofenadine HCI USP, 180 mg

### Purpose

Antihistamine

### Use(s)

### Allergy

temporarily relieves these symptoms due to hay fever or otherupper respiratory allergies:

- runny nose
- itchy, watery eyes
- sneezing
- itching of the nose or throat

### Hives

reduces hives and relieves itching due to hives (urticaria). This product will not prevent hives or an allergic skin reaction from occuring.

### Warnings

#### Hives

**Severe Allergic Warning:** Get emergency help **immediately** if you have hives along with any of the following symptom:

- trouble swallowing
- dizziness or loss of consciousness
- swelling of tongue
- swelling in or around mouth
- trouble speaking
- drooling
- wheezing or problems breathing

These symptoms may be signs of anaphylactic shock. This condition canbe life threatening if not treated by a health professional **immediately**. Symptoms of

anaphylactic shock may occur when hives first appear or upto a few hours later.

**Not a Substitute for Epinephrine.** If your doctor has prescribed an epinephrineinjector for "anaphylaxis" or severe allergy symptoms that could occur withyour hives, never use this product as a substitute for the epinephrine injector. If you have been prescribed an epinephrine injector, you should carry it withyou at all times.

### Do not use

### Allergy

if you have ever had an allergic reaction to this product or any of its ingredients.

### Hives

- to **prevent** hives from any known cause such as:
  - foods
  - insect stings
  - medicines
  - latex or rubber gloves

because this product will not stop hives from occurring. Avoiding the cause of your hives is the only way to prevent them. Hives can sometimes be serious. If you do not know the cause of your hives, see your doctor for a medical exam. Your doctor may be able to help you find a cause.

• if you have ever had an allergic reaction to this product or any of its ingredients

## Ask a doctor before use if you have

## Allergy

• kidney disease. Your doctorshould determine if you need a different dose.

## Hives

- kidney disease. Your doctor should determine if you need a different dose.
- hives that are an unusual color, look bruised or blistered
