

# **BYOMA ACNE CONTROL BODY- salicylic acid lotion**

## **Byoma Ltd**

-----

### **Byoma Acne Control Body Lotion**

#### **Drug Facts**

##### **Active ingredient**

Salicylic Acid 2%

##### **Purpose**

Acne Treatment

##### **Use**

- for the treatment of acne

##### **Warnings**

##### **For external use only**

##### **When using this product**

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

##### **Stop use and ask a doctor if**

- skin irritation occurs or gets worse.

##### **Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Centre right away.

##### **Directions**

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day.

##### **Other Information**

Protect the product in this container from excessive heat and direct sun.
