Byoma Ltd

Byoma Acne Clearing Body Wash

Drug Facts

Active ingredient

Salicylic Acid 2%

Purpose

Acne Treatment

Use

- for the treatment of acne

Warnings

For external use only

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- rinse right away with water if it gets in eyes.

Stop use and ask a doctor if

- skin irritation occurs or gets worse.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Centre right away.

Directions

- Wet the skin and gently massage for 1-2 minutes and rinse well.
- If bothersome dryness or peeling occurs, reduce frequency of use.

Other Information

Protect the product in this container from excessive heat and direct sun.
