BYOMA ACNE CONTROL MOISTURIZER- salicylic acid lotion Byoma Ltd

Byoma Acne Control Moisturizer

Drug Facts

Active Ingredients

Salicylic Acid 1.5%

Purpose

Acne Treatment

Use

• for the treatment of acne

Warnings

For external use only

When using this product

 skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Stop use and ask a doctor if

• skin irritation occurs or gets worse.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Centre right away.

Directions

- Clean the skin thoroughly before applying this product
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Other Information

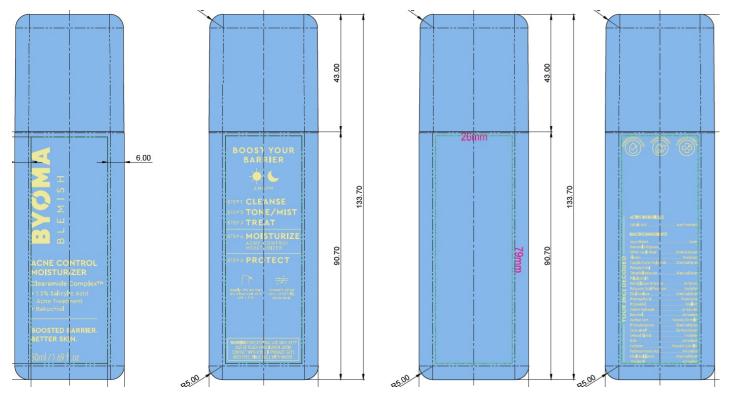

Protect the product in this container from excessive heat and direct sun.
