

**BETADINE- povidone-iodine solution**  
**Atlantis Consumer Healthcare, Inc.**

-----  
**BETADINE® Professional Solution Swabsticks**  
**Povidone-iodine 10%**

***Drug Facts***

***Active ingredient***

Povidone-iodine 10%

***Purpose***

Antiseptic

***Use(s)***

- for preparation of the skin prior to surgery
- first aid to help prevent infection in minor cuts, scrapes, and burns

***Warnings***

**For external use only**

**Do not use**

- in the eyes or over large areas of the body
- longer than 1 week unless directed by a doctor
- if you are allergic to iodine or other product ingredients

**Ask a doctor before use if you have**

- deep or puncture wounds
- animal bites
- serious wounds

**When using this product**

- prolonged exposure may cause irritation or, rarely, severe skin reactions

**Stop use and ask a doctor**

- if condition persists or gets worse
- in rare instances of local irritation or sensitivity

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) right away.

***Directions***

- tear at notch
- remove applicator
- use only once

**As a first aid antiseptic:**

- clean affected area
- apply 1 to 3 times daily
- may be covered with a sterile bandage
- if bandaged, let dry first

**For preoperative patient skin preparation:**

- clean area
- apply to operative site using applicator then wait at least 30 seconds prior to surgery

***Other Information***

- store at room temperature 15°-30°C (59°-86°F)
- avoid excessive heat

***Inactive Ingredients***

citric acid, glycerin, polysorbate 80 (tween 80), sodium citrate USP, sodium phosphate dibasic, water
