• This lightweight, reef safe mineral sunscreen provides broad-spectrum SPF 50 protection against skin aging UVA and burning UVB rays. The antioxidant-rich, non-nano zinc oxide formula protects against oxidative stress caused by the sun and defends against free radicals, while softening and soothing the skin.

• A powerful combination of antioxidants, like vitamin E, micro-algae and green tea, combined with soothing lavender help this formula to moisturize the skin and improve tone and texture.

• Plant-derived squalane, aloe and jojoba seed oil help restore suppleness.
