

CAPSAICIN 0.075% CREAM- capsaicin cream
ViolaCare, Inc.

Capsaicin 0.075% Cream

Drug facts

Active Ingredient Purpose

Capsaicin 0.075%.....Topical Analgesic

Uses

Temporarily relieves minor aches and pains of muscles and joints due to:

- simple backache
- arthritis
- strains
- sprains

Warnings

For external use only. Read all warnings and directions before use. Test first on small area of the skin.

Do not use

- on wounds or damaged skin
- if you are allergic to capsicum or chili peppers

When using this product

- you may experience a burning sensation. The intensity of this reaction varies among individuals and may be severe. With regular use, this sensation generally disappears after several days.
- avoid contact with eyes, lips, nose and mucous membranes
- do not tightly wrap or bandage the treated area
- do not apply heat to the treated area immediately before or after use

Stop use and ask doctor if

- condition worsens or does not improve after regular use
- severe burning persists or blistering occurs

Directions adults and children 18 years and older:

- apply a thin film of cream to the affected area and gently rub in until fully absorbed
- unless treating hands, wash hands thoroughly with soap and water immediately after application
- for best results, apply 3 to 4 times daily.

children under 18 years:ask a doctor
