**Uses\***

According to homeopathic indications these ingredients provide temporary relief from eye irritation after serious causes have been ruled out by a physician.

\*These statements are based upon traditional homeopathic practice. They have not been reviewed by the Food and Drug Administration.

**Warnings:**

**A PHYSICIAN SHOULD ALWAYS BE CONSULTED TO RULE OUT SERIOUS CAUSES.**

- This product is intended to complement, not replace, standard medical treatment.
- Initial worsening of symptoms may occur.
- **This product is intended to be taken orally. Do not use in eyes or nose.**

**If pregnant or breast-feeding,** ask a health professional before use.

**Keep out of reach of children.**

- In case of overdose, get medical help or contact a Poison Control Center right away.

**Stop use and ask a doctor if:**

- You experience eye pain or change in vision, continued redness, or irritation of the eye.
- The condition worsens.

- Symptoms last longer than 72 hours.

### ***Directions***

- Suitable for adults and children ages 5 and over.
- Dissolve entire tablet under tongue.
- Do not chew or swallow whole.
- Take 1 tablet 3 times a day or as directed by a physician.
- Use up to 6 times a day as needed.
- Take at least 10 minutes before or at least 10 minutes after eating or drinking.
- Children under the age of 5: Consult a physician before use.

### ***Other information***

- Homeopathic remedies may not be effective for everyone.
- Individual results may vary.
- Pink Eye Relief ® Fast Dissolving Tablets ™ are homeopathic dilutions, for details see [www.thereliefproducts.com](http://www.thereliefproducts.com)

### **Inactive ingredients**
