Keep out of reach of children, and store at room temperature.

For best results, apply one patch before consuming alcohol.

1. The hangover patch is for external use only, and apply area should be clean, dry and hair free.
  2. Ask a doctor before use if you are taking any drugs or under a doctor's care for any serious condition. Stop and ask a doctor if skin irritation occurs.
  3. Please do not apply to wounds, broken or damaged skin area.
  4. Please do not use if you have an allergy or hypersensitivity to the components of this formula.
  5. Please do not use if you are under the age of 18, pregnant or breast feeding.
- Keep out of reach of children, and store at room temperature.

1. Remove the patch from its packaging, apply it to a dry and hairless area on your body (chest, arm, or back area). Adhesive side down, press and hold it for 5 seconds.
2. Keep the patch for at least 8 hours after you've stopped consuming alcohol, without exceeding 24 hours. In the meantime, stay hydrated.
3. Remove the patch by wetting it with warm water and gently pulling it free by each corner. Do not yank or pull the skin!
