- If symptoms persist for over 7 days or worsen, consult your physician.
- If you are pregnant or breast-feeding
- You become pregnant or are planning to become pregnant while using this product

## **Keep Out Of Reach Of Children**

Keep out of reach of children

## **Directions**

- Soak the corn or warts with warm water for 5 minutes
- Install the brush into the bottle cap, press tightly, and tighten the bottle cap.
- Dry the skin and open the lid, dip the liquid, and apply it on the wart or corn with the brush, wait for a mask to form, then apply the liquid again. Use twice during day and twice at night.
- Use it for 2 weeks until the skin recovers its health. If corns or warts are big, it may take a longer time.
