Temporarily relieves minor pain.

Warnings

For External Use Only

Do not Use

- More than one patch on your body at a time
- On cut, irritated or swollen skin
- On puncture wounds
- For more than one week without consulting a doctor
- If you are allergic to any active or inactive ingredients
- If pouch is damaged or opened.

When using this product

- Use only as directed
- Read and follow all directions and warnings on this carton
- Do not allow contact with the eyes
- Do not use at the same time as other topical anesthetics
- Do not bandage tightly or apply local heat (such as heating pads) to the area of use
- Do not microwave
- Dispose of used patch in manner that always keeps product away from children and pets. Used patches still contain the drug product that can produce serious adverse effects if a child or pet chews or ingests this patch.

Stop use and consult a doctor if

- Condition worsen
- Redness is present
- Irritation develops
- Symptoms persist for more than 7 days or clear up and occur again within a few days

- You experience signs of skin injury, such as pain, swelling, or blistering where the product was applied.

If pregnant or breastfeeding

ask a health professional before use

Keep out of reach of children and pets

If swallowed, get medical help or contact a Poison Control Center right away 800-222-1222
