Warnings

For external use only

Do not use

- by mouth
- in nostrils
- on wounds or damaged skin
- with tight bandages

Ask a doctor before use if you have

- cough that occurs with too much phlegm (mucus)
- persistent or chronic cough such as occurs with smoking, asthma or emphysema

When using this product, do not

- heat
- microwave
- add to hot water or any container where heating water. May cause splattering and result in burns.

Stop use and ask a doctor if

- muscle aches and pains worsen or persist for more than 7 days or clear up and occur again within a few days.
- cough persists for more than 1 week, tends to recur, or is accompanied by a fever, rash, or persistent headache. A persistent cough may be a sign of a serious condition.

If pregnant or breast-feeding,

ask a health professional before use.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) right away.

Directions**see important warning under "When using this product"**

- adults and children 2 years and over:
 - for cough suppression
 - rub a thick layer on the throat and chest for cough
 - cover with a warm, dry cloth if desired
 - keep clothing loose about throat and chest to help vapors reach the nose and mouth
 - use up to 3 times daily or as directed by a doctor
- for muscle/joint minor aches and pains apply to affected area not more than 3 to 4 times daily
- children under 2 years: ask a doctor

Other Information

- store at room temperature
