

SWIMMERS ITCH GUARD- oil oil Resolutions, LLC

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Swimmer's Itch Guard Oil

Active ingredients

Neem Oil 3%

Warnings

Topical Oil – for External Use Only

Keep out of eyes. Flush thoroughly and gently with warm water for 10-15 minutes.

Stop use and consult physician if rash or irritation develops.

Consult physician before using if pregnant or nursing.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

Directions

(for children 2 years and older and adults): Apply sunscreen first, especially spray-on sunscreens which contain alcohol (alcohol removes our product). Before entering the water, apply Swimmer's Itch Guard to all uncovered skin that will be under water continuously for 5 minutes or longer. Apply liberally and evenly. When coming out of the water, light toweling off is best because it minimizes removal of Swimmer's Itch Guard. Reapply after 30 minutes of water activity, taking a shower or hot-tub, or repeated hard toweling offs. Wash swimsuits separately in warm water.

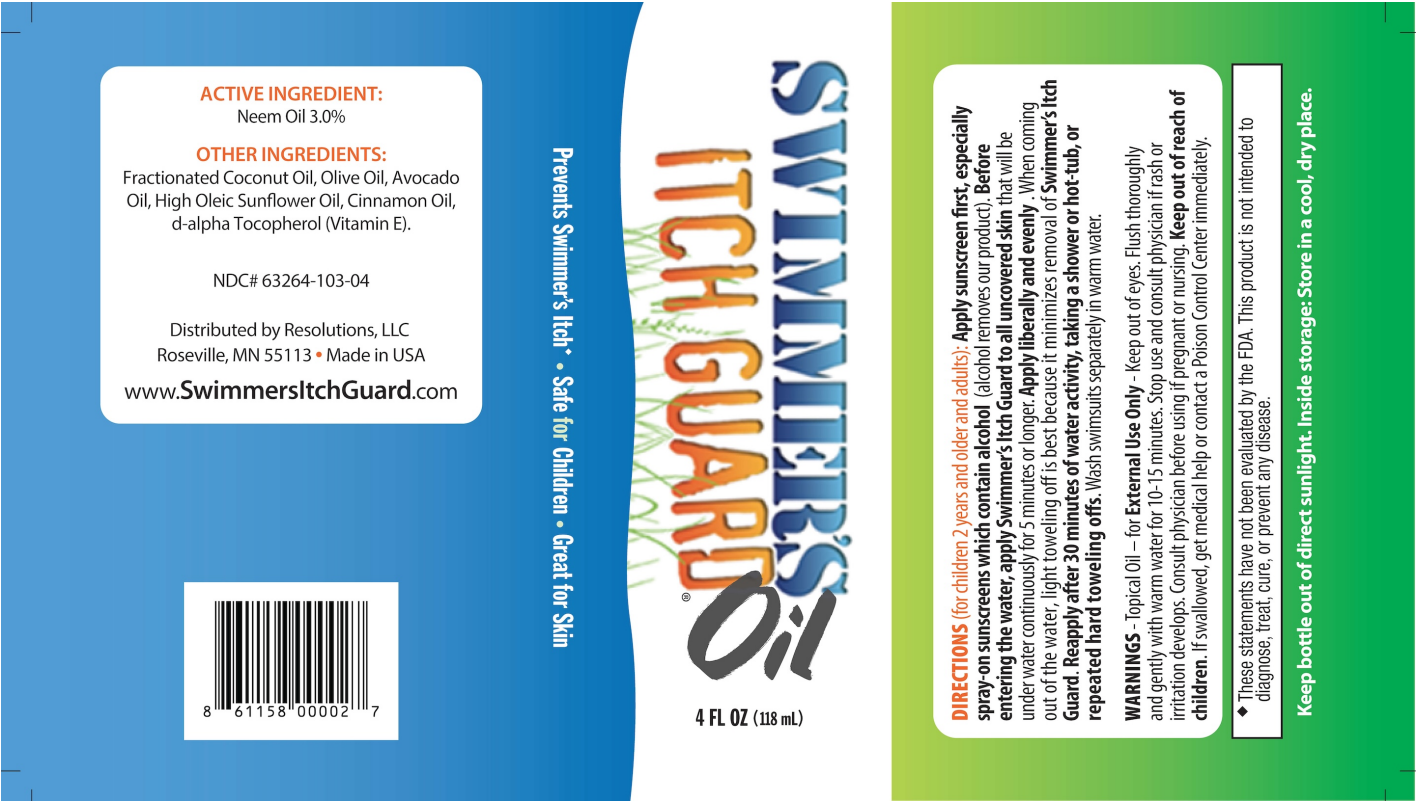

These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.

Inactive ingredients

Fractionated Coconut Oil, Olive Oil, Avocado Oil, High Oleic Sunflower Oil, Cinnamon Oil, d-alpha Tocopherol (Vitamin E)
