

PROACTIVPLUS PORE CLEARING TREATMENT- salicylic acid cream
Alchemee, LLC

Proactivplus Pore Clearing Treatment

Drug Facts

Active Ingredient

Salicylic acid 1.5%

Purpose

Acne Treatment

Use

for the management of acne

Warnings

For external use only

When Using this Product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water.

Keep out of reach of children

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- *Sensitivity Test for a New User.* Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated below.
- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Other Information

Store at 20 - 25°C (68 - 77°F)

Redness

Correcting

Treatment

acne treatment

1.5% salicylic acid

+ centella asiatica

0.33 OZ. (9.45 g)

Redness Correcting Treatment

Directions:
Cleanse the skin thoroughly before applying. Apply a small amount of Redness Correcting Treatment with a cotton swab or fingertip (a little goes a long way). Cover the entire affected area with a thin layer and blend to neutralize the appearance of redness. Can be used alone or under makeup. If bothersome dryness or peeling occurs, reduce application to once a day or every other day. If going outside, use a sunscreen of SPF 30 or higher.

Redness Correcting Treatment

acne treatment
1.5% salicylic acid
+ centella asiatica

0.33 OZ.(9.45 g)

A multi targeted pimple spot treatment that helps neutralize the appearance of redness while treating acne blemishes. Formulated with proven salicylic acid to clear and prevent acne blemishes while additional skin nourishing ingredients, including centella asiatica, soothing bisabol and hydrating glycerin, help calm irritated skin.

FEATURES

- Dermatologist developed
- Developed for acne-prone skin
- Non-Comedogenic
- Formulated with acne fighting salicylic acid

INGREDIENTS

- Salicylic acid: an acne medicine that clears blemishes and helps prevent new ones from forming by encouraging the shedding of dead skin cells and helping to keep pores clear.
- Cica (centella asiatica): known for its antioxidant properties and helps reduce the appearance of redness
- Glycerin: a humectant that helps relieve dryness and increases hydration by allowing the skin to retain moisture
- Bisabolol: helps soothe and calm irritated skin.
