Purpose

Acne Treatment

Uses

- For the treatment of acne
- Dries up acne pimples
- Helps prevent new acne pimples

Warnings

For external use only

When using this product skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center immediately.

Directions

- Clean the skin thoroughly before applying product
- Cover the entire affected area with a thin layer and rinse thoroughly one to three times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily, if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every

other day.

Avoid contact with eyes. If contact occurs, rinse thoroughly with water.
