

NOTATUM- penicillium chrysogenum var. chrysogenum suppository
BioResource Inc.

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Notatum suppositories

Indications

For temporary relief of minor cold symptoms, fever, earaches, and respiratory infections.

Ingredients

182 mg Penicillium notatum (chrysogenum) 3X in a base of mono-, di-, triglycerides (hard fat).

Dosage

Insert one suppository rectally each night before bed.

Warning

If symptoms persist more than a few days, contact a licensed practitioner. As with any drug, if you are pregnant or nursing a baby, seek the advice of a health care professional before using this product.

Keep this and all medications out of the reach of children. In case of accidental overdose, seek professional assistance or contact a Poison Control Center immediately. Protect from light and heat.

Tamper Evident

Use this product only if inner blister pack is intact.

To report adverse events, contact BioResource at 707/664-9023 or bioresource@prodigy.net
