

**PEDIFIX LIDOCAINE PAIN-RELIEF PATCHES- lidocaine pain-relief  
patches patch  
PediFix, Inc**

-----  
**DRUG FACTS**

**LIDOCAINE 4%**

Topical Anesthetic

Temporarily relieves minor pain

For external use only

• On cut, irritated, or swollen skin. • On puncture wounds. • For more than one week without consulting a doctor. • If you are allergic to any active or inactive ingredient. • If the pouch is damaged or opened.

- Use only as directed.
- Read and follow all directions and warnings on this carton.
- Avoid contact with the eyes, mucous membranes, or rashes.
- Do not use at the same time as other topical analgesics.
- Do not bandage tightly or apply local heat (such as heating pads) to the area of use.
- Do not microwave.
- Dispose of used patches in a manner that always keeps the product away from children and pets. Used patches still contain the drug and could produce serious adverse effects if a child or pet chews or ingests them.
- Localized skin reactions occur, such as rash, itching, redness, irritation, pain, swelling, or blistering.
- Conditions worsen.
- Symptoms persist for more than 7 days or clear up and occur again within a few days.

ask a health professional before use.

If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) immediately.

Adults and children 12 years of age and over:

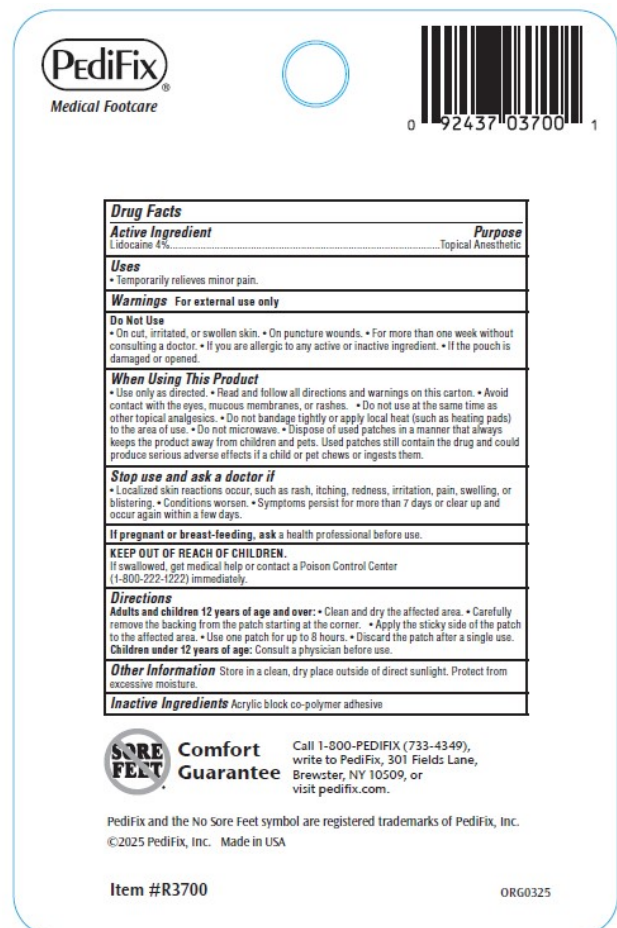

- Clean and dry the affected area.
- Carefully remove the backing from the patch starting at the corner.
- Apply the sticky side of the patch to the affected area.
- Use one patch for up to 8 hours.
- Discard the patch after a single use.

Children under 12 years of age: Consult a physician before use.

Store in a clean, dry place outside of direct sunlight. Protect from excessive moisture.

Acrylic block co-polymer adhesive
