

VENROCK- salicylic acid patch
Guangzhou Oupeng Cosmetics Co., Ltd.

Active ingredient (in each dosage unit)

Salicylic Acid 1.5%

Purpose

Acne treatment

Uses

- For the treatment of acne
- Helps clear up pimples and blackheads
- Helps prevent new acne pimples from forming

Warnings

For external use only

When using this product

Avoid using with other irritating products: such as products containing retinoic acid, fruit acid and other ingredients, so as not to cause excessive irritation to the skin

Ask a doctor or pharmacist before use if you have

- Sensitive skin
- Severe acne

When using this product

- Avoid contact with eyes, lips, and mouth. If contact occurs, rinse thoroughly with water
- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time
- Mild irritation such as redness, burning, itching, peeling, or dryness may occur
- Avoid unnecessary sun exposure

Stop use and ask a doctor if

- Skin irritation becomes severe or worsens
- Rash or allergic reaction develops
- Your condition does not improve after 7 days of use

PREGNANCY OR BREAST FEEDING SECTION

If pregnant or breast-feeding, ask a health professional before use

Keep out of reach of children

In case of accidental ingestion, get medical help or contact a Poison Control Center right away.

Directions

- Cleanse the skin thoroughly before applying medication
- Cover the entire affected area with a patch one to two times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day
- 6-8 hours remove patch after

Other information

- Store at room temperature 15°-30°C (59°-86°F)
- Protect from excessive heat and direct sun
