FACE + BODY SUNSCREEN

SPF 30

*Sonne*

#### DIRECTIONS FOR USE

Shake well before use. Apply generously all over the body, ensuring even coverage. For full-body protection, we recommend liberally applying the size of a limoncello shot 15 minutes before sun exposure. Reapply every two hours or after swimming in the Med, diving off a yacht in the Bahamas, sweating after walking to Pilates in the Italian heat, or towel drying after a dip in the pool. Safe for hair extensions and color-treated hair. Non-waterproof SPF.

#### MODE D'EMPLOI

Bien agiter avant utilisation. Appliquer généreusement sur tout le corps en veillant à une couverture uniforme. Pour une protection complète, nous recommandons d'utiliser 1 once (30 mL)—environ la taille d'un shot de limoncello. Réappliquer toutes les deux heures ou après une baignade en Méditerranée, un plongeon depuis un yacht, une séance de transpiration en marchant jusqu'au Pilates sous la chaleur italienne, ou après s'être séché(e) sur le yacht. Sans danger pour les extensions capillaires et les cheveux colorés.
