

FEVERALL JR. STRENGTH- acetaminophen suppository
Sun Pharmaceutical Industries, Inc.

FeverAll®
Jr. Strength

Drug Facts

Active ingredient (in each rectal suppository)

Acetaminophen, USP 325 mg

Purposes

Pain reliever/fever reducer

Uses

temporarily

- reduces fever
- relieves minor aches, pains, and headache

Warnings

Liver warning

This product contains acetaminophen.

Severe liver damage may occur if

- a child 6 to 12 years takes more than 5 doses in 24 hours
- an adult or child 12 years and older takes more than 6 doses in 24 hours, which is the maximum daily amount
- taken with other drugs containing acetaminophen
- an adult takes 3 or more alcoholic drinks every day while using this product

Allergy alert: acetaminophen may cause severe skin reactions. Symptoms may include:

- skin reddening
- blisters
- rash

If a skin reaction occurs, stop use and seek medical help right away.

For rectal use only.

Do not use

- in children under 6 years
- if you are allergic to acetaminophen.
- with any other drug containing acetaminophen (prescription or nonprescription). If

you are not sure whether a drug contains acetaminophen, ask a doctor or pharmacist.

Ask a doctor before use if

- you have liver disease.
- you are taking the blood thinning drug warfarin.

Stop use and ask a doctor if

- fever lasts more than 3 days (72 hours), or recurs.
- pain gets worse or lasts more than 10 days.
- new symptoms occur.
- redness or swelling is present in the painful area.

These may be signs of a serious condition.

If pregnant or breast-feeding,ask a health professional before use. **Keep out of reach of children.**If swallowed or in case of overdose, get medical help or contact a Poison Control Center right away. Quick medical attention is critical in case of overdose for adults and for children even if you do not notice any signs or symptoms.

Directions

- **do not use more than directed**
- remove wrapper
- carefully insert suppository well up into the rectum
