

FIRST AID BEAUTY BODY ACNE CLEARING MIST- salicylic acid spray
The Procter & Gamble Manufacturing Company

First Aid Beauty Body Acne Clearing Mist

Drug Facts

Active ingredients

Salicylic Acid 2%

Purpose

Acne Treatment

Uses

- for the treatment of acne

Warnings

For external use only.

When using this product

- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Do not spray product directly on face.

Avoid contact with eyes. If contact occurs, rinse with water. If skin irritation develops, discontinue use. Not to be used for children under 3 years of age.

Directions

- Clean the skin thoroughly before applying
- Spray over affected areas of chest and back 1 to 2 times daily.
- Because excessive drying of the skin may occur, start with one use daily, then gradually increase to two uses daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce usage to once a day or every other day.

Water, glycereth-26, glycerin, sodium hydroxide, phenoxyethanol, glycolic acid, citric acid, zinc PCA, potassium sorbate, sodium benzoate
